Igor Pandurski, MBA, PMP, OCP

Director of AI and Software Engineering

igor@pandurski.com · linkedin.com/in/pandurski · pandurski.com · Burlington, Canada

PROFESSIONAL OVERVIEW

Technology leader with 20+ years building enterprise software across four continents. Proven track record leading teams of dozens, delivering products showcased on global stages, and managing critical integrations under extreme pressure. Founded Geahsoft in 2024—an AI consulting and custom software development practice—after a senior career at Oracle, Thomson Reuters, Accenture, and other major organizations.

> **Long Story Short:** Consulting work revealed problems deep enough to build products around. **Applicora** is a career and talent AI platform redefining hiring. **Agentino** brings intelligent automated communication to the trades industry. Both solve real gaps in their markets.

CORE CAPABILITIES

Leadership

- Team scaling & mentorship
- Global team management
- Agile / Scrum delivery
- Program management
- Stakeholder alignment
- Budget & resource planning

Architecture

- Cloud-native solutions (OCI, AWS)
- Microservices & monolithic
- REST API design
- CI/CD pipelines
- System design & ER modeling
- Docker, Kubernetes, Helm

AI & Data

- LLMs (OpenAI, Claude, Gemini)
- Vector search & embeddings
- ETL & data warehousing
- Python, FastAPI, pandas
- Oracle, PostgreSQL, MongoDB
- Snowflake, Databricks, Tableau

CAREER HIGHLIGHTS

- **Geahsoft** — Founded AI consulting & software practice. Built Applicora (career AI) and Agentino (trades automation). 2024–Present
- **Oracle** — Sr. Principal Engineer (IC5). Cloud-native solutions showcased at CloudWorld. Platform modernization. 2018–2024
- **Region of York** — Software Development PM. Municipal government projects, compliance & delivery. 2016–2018
- **Accenture** — Software Development PM. Enterprise integration for global clients, post-acquisition programs. 2014–2016
- **Thomson Reuters** — PM & BA across US & Canada. Led integrations during the 2008 financial crisis. 2008–2011
- **QBE Insurance** — Sr. Oracle Developer. Core insurance systems in Oracle Forms/PL/SQL. 2002–2008

SKILLS

Python · JavaScript · SQL · PL/SQL · FastAPI · REST APIs · Oracle Cloud · AWS · Docker · Kubernetes · CI/CD · Agile · Scrum · LLMs · Vector Search · ETL · Data Warehousing · PostgreSQL · MongoDB · Snowflake · n8n

EDUCATION

- **MBA** — Edinburgh Business School, Heriot-Watt University — 2021–2025
- **Certificate** — Project Planning, Analysis & Control – George Washington University — 2012
- **M.Sc. (coursework)** — Computer Software Engineering – Ss. Cyril and Methodius — 2002–2006
- **B.Sc.** — Engineering – Military Academy, Skopje — 1996–2000
